## President OK's Conclave

Plans for an SJS sponsored conference on world affairs to be held here this spring have been approved by President John T. Wahlquist, Jim Starrs, International Relations Club president, said yesterday.

A date for the event has not been selected as yet, he said.

The IRC is working as the coordinating group to work out the program for the conference.

The theme of the conference will be "The Influence of the Social Scientist on American Foreign Policy," Starrs said. Seminar leaders will be experts in the particular field of discussion.

Delegates to the conference will be invited from colleges and universities in all of Northern California. "The conference will be open to all SJS students," he said.

Registration fees will largely pay for the conference expenses, he said.

Campus organizations other than the IRC will participate in the conference, Starrs stressed. The IRC is now in the process of contacting groups to aid them. Starrs and the IRC can be contacted through the mailboxes in the Student Union and the organization's adviser, Dr. Jackson T. Main, can be contacted in his office, 254 S. 8th St.

## 'Follow Policy' Urges SJS Prof

"If the United States does not follow a definite policy, we will not give any real aid to the people in the Orient who would like to be our friends." This was the startling remark made by Cecil G. Tilton, visiting associate professor of business, last night, in the Concert Hall to more than 150 people.

"The Soviets may push all the way into Indonesia and enslave another 80 million people," he stressed.

He went on to say, "The greatest victory the Reds have won recently is the conquest of a great rice area in Indo-China."

## Groups Need OK For Use of Booths

Any organizations planning to use campus booths for selling or distributing material on registration days next quarter must obtain permission from the student Activities Board one week in advance, according to Paul Sakamoto, SAB chairman.

Petitions may be obtained in the Student Union and turned in to the ASB at its Thursday meetings at 2:30 p. m. in the Student Union.

"Beginning next quarter all violators will be prosecuted and no leniency will be given," he stated.

## AEC To Hear Contest Rules

Les Johnson will present his proposed contest rules to the Activities Evaluation committee today in Room 108 at 12:30 p. m.

When the regulations are adopted into the AEC policy, the Student Activities Board will enforce them. Violators will be prosecuted by the Student Court, according to Paul Sakamoto, AEC member and SAB chairman.

Sakamoto pointed out that one of the regulations will require organizations which plan to sponsor on-campus contests to submit plans to the SAB three weeks before the contest.

## Wahlquist Will Attend Meeting On Admission Problems Today

President John T. Wahlquist will meet with other state college presidents in Sacramento today in an attempt to find a solution to state college admission problems.

The Council of State College Presidents will try to agree on a proposal to present to the State Board of Education at a joint meeting of the two bodies tomorrow in Sacramento.

Attorney General Edmund G. Brown ruled earlier that any decision on state college enrollment standards would have to be made in a joint session of the Board of Education and the Council of State College Presidents.

President Wahlquist said yesterday that he was "looking to these two meetings to solve the local problem."

He said he "expected" some decision to be reached in the attempt to establish uniform entrance requirements for all the state colleges.

Executive Dean C. Grant Burton was to accompany President Wahlquist to Sacramento and check college building plan progress.

## Students Admit Copying In SJS Cheating Poll

Data from the first four pages of an SJS student cheating poll points to "direct copying during tests" as being the largest form of cheating on campus.

Eleven other cheating practices admitted to by students, were included in the partial report released by the college fairness committee yesterday. The other section of the report probably will be released after the January meeting of the committee, according to Lowell Pratt, public relations director.

The other cribbing practices listed are opening books during tests, tapping or other signals during tests, using "ponies," copying term papers, letting friends copy from you, obtaining tests through readers and secretaries, talking about questions during tests, having tests written before tests start, using other students' notebooks, copying other's homework and copying published materials without citing author.

## Gone in 3 Hours, Students Like Lyke

The Fall quarter issue of Lyke, campus feature and humor magazine, was completely sold out by 10:30 yesterday morning, according to Roberta Leach, publicity chairman.

More copies of the magazine were sold than in any previous quarter, and plans for the winter issue are under way, Miss Leach said.

The staff for next quarter's magazine will be by arrangement.

## Ike Will Hold To Course

By UNITED PRESS

WASHINGTON, Dec. 8—President Eisenhower said today he intends to hold his GOP administration to a moderate and progressive course and if any Republicans want to split off and start a third party that is their business.

He made the statement at his weekly news conference in replying to questions about Sen. Joseph R. McCarthy's complete break with the administration yesterday and the possibility of a third party. Mr. Eisenhower declined to answer McCarthy's charge that the President has put on "a shrinking show of weakness" toward Communism.

Mr. Eisenhower said he would not be drawn into an exchange of personal vituperation.

### Communists "Quibble"

UNITED NATIONS, N.Y., Dec. 8—The United States today accused the Communists of a "fraudulent quibble" in the case of American airmen jailed illegally by Red China and demanded United Nations action.

Russia and Czechoslovakia voted against UN action in the UN's steering committee on a legalistic claim that China was not a participant in the Korean War and therefore that the United Nations was not competent to act on the issue.

### War Danger Lessens

WASHINGTON, Dec. 8—President Eisenhower said today that danger of global war has diminished in recent years notwithstanding Red China's imprisonment of American war prisoners.

The President said he thinks of peace in terms of a world where we have justifiable confidence that we can devote our efforts to the good of all people and not just to protection, or to the destruction of others.

### Red China Warns U. S.

TOKYO, Dec. 8—Chou En Lai, foreign minister of Communist China, warned the United States today that if it "persists in interfering in China's internal affairs, it must take upon itself all the grave consequences."

## College Presidents Meet To Discuss Athletic League

The Athletic committee of the Council of State College Presidents will "definitely discuss" a league for the larger state colleges when it meets in special session tonight in Sacramento, President John T. Wahlquist said yesterday.

President Wahlquist, who is chairman of the committee, called the meeting when he was notified this week that the California Collegiate Athletic Assn. has invited SJS and San Francisco State to join its conference.

Although the committee is meeting to consider the CCAA invitation "we will more likely discuss including them in a state college league," President Wahlquist told the Daily.

The CCAA was reduced to three members this week with the withdrawal of Los Angeles State and Santa Barbara College. Remaining members are Cal Poly of San Luis Obispo, San Diego State and Fresno State.

President Wahlquist earlier this week said he "favored" SJS joining a league of the larger state colleges on a home and home game basis.

President Wahlquist emphasized that although the committee will discuss the league, he isn't sure whether or not a decision will be reached.

In the event that some decision is made, a meeting of athletic directors of the colleges affected would be held to work out final plans, Wahlquist said. The Council of State College Presidents will then have to approve the decision.

## Try-outs Still Open For Yell Leaders

Students not placing applications with the Rally committee for assistant yell leader still may take part in try-outs today in Newman Hall at 7:30 p. m., Shunji Ito, committee chairman, said yesterday.

Ito said students not submitting applications should be at the hall by 7:15 p. m.

## Holiday Greetings

A 16 page "Christmas Issue" will be on the Spartan Daily stands tomorrow, according to Dick Jones and Bill Shands, co-editors of the Daily.

Among the features of the issue will be Christmas greetings from campus organizations and local business establishments.

## Choral Ensemble Will Present Cantata for Christmas Concert

"Christ in the World", a sacred cantata by Noble Cain, will be performed by the SJS Choral Ensemble during its annual Christmas concert in the Morris Dailey Sunday at 3:30 p. m.

The composer, a noted choral conductor, musician and arranger, will himself conduct the performance. Gus Lease, assistant professor of music, is director of Choral Ensemble.

Individual performances will be by Jacqueline Rouleau, who will play the piano part, and Richard Jesson, associate professor of music, who will play the organ. Three student soloists, Diane Pattison,

Lonnie Manning and Louis Franz will perform.

The Ensemble will be augmented by the 80-voice Celestial Choir of James Lick High School, directed by Mrs. Margaret S. Shilkin.

## Alpha Phi Omega Sponsors Car Pool

The annual car pool sponsored by Alpha Phi Omega, national service fraternity, will be open Thursday in front of Morris Dailey to help provide transportation to those going home over the holidays, according to Lazaro Garza, car pool chairman.

The fraternity has a list of persons that have transportation

## Student Council Approves New State-SC Pact

The non-vandalism pact between SJS and the University of Santa Clara was approved yesterday by the Student Council at a special meeting.

The pact provides that financial responsibility for vandalism can be proved only by a confession, apprehension by the raided student body, or the discovery of material evidence in the possession of the accused," according to ASB President Art Lund.

The council opened applications for Female Junior Justice of the Student Court.

Carol Lucas and Art Lund were appointed to the committee for the 1955 Summer Session Contemporary Arts Festival. Pat Sewell was appointed Blood Drive chairman.

Students appointed to the Freshman Camp committee were Paul Thompson, assistant director; Hank Ramp and Nada Stepovich, program; Bob Weiss and Joan Ereno, sports; and Bruce Waite, Bob Lindsay and Carolyn Stelling, representatives at large.

## Cottrell Negotiates For Latin Music

A entertainment group that plays South American music is being contacted to play for intermission at Wintermist, according to Jim Cottrell, Social Affairs committee chairman.

Cottrell said that final arrangements for the group will probably be made "within a week."

Cottrell also announced that the Social Affairs committee would not hold a meeting tonight and that the next meeting of the organization will be held the first Thursday during winter quarter.

## Committee Asks Budget for Land

The special committee on capital outlay recommended early this week that \$3,600,000 be spent for site acquisition of 28 acres for SJS. Another \$2,250,000 was asked for site development of the 28 acres, which would cover eight city blocks.

The fraternity will have cards to be filled out by people wanting rides and those who have cars to provide rides.

## Seniors To Attend Banquet Tonight

Tonight December graduates will be honored at the Graduation Banquet to be held at Mariani's Restaurant in Santa Clara. The dinner is slated for 6:30 o'clock.

Guest speaker will be Dean Stanley C. Benz with Paul Sakamoto as master of ceremonies. Pat Spooner will welcome the graduates, their families, and friends. Piano and vocal selections will provide the entertainment.

Tickets may be obtained at the door.

## Thrust and Parry

### Want Reasons

Dear Thrust and Parry,  
Attention Dr. Wahiquist:

We would like to have a few clear cut reasons why you tend to drag down the football fame of San Jose State, built up in the last few years, by the idea of joining CCAA.

After all, how many people would attend a football game to see Cal Poly when they could go see Stanford or other teams of high caliber.

It would seem to us that these games of low standing would take all the initiative out of playing and coaching football. This would set us back to pre war times. We would lose both money, spirit, and initiative, and prestige among other schools by this action.

Wonderingly yours,  
John Edgemond, ASB 7896  
Wes Jorgensen, ASB 6217  
Bill Lawson, ASB 7569

## Give Draft Tests

Selective Service Examinations are now being given to SJS students in T-201 of the Psychology-Philosophy building, according to Dr. Harrison Heath. The exams will last until about 12:30 p.m. and consist of 150 questions.

## Doll Will Appear On Spartan Show

Dick Garvin will be host tonight on Spartan Coffee Date for this quarter's Lykeable Doll, Lucie Marie Watson. Lucie is a bacteriology major from Sausalito.

Spartan Coffee Date, heard daily from 9:15 to 9:30 over Radio KLOK, is a show especially designed for the students of SJS. The program will continue through the Christmas vacation at its regular time.

## Bidding Opens For Floor Job

Bidding for contracts to place linoleum and rubber stair treads in the building at 7th and San Carlos streets began yesterday, according to John T. Amos, director of buildings and grounds.

The building, recently bought by the college, will provide office space for various college departments.

It has not been decided which departments will share the building.

### SPAR-TEN PRESIDENT

Bill Spencer was elected president of Spar-Ten for 1955 it was announced yesterday.

Other officers elected are: Luke Argeilla, vice president; Bill Hubbard, corresponding secretary, and Arthur Ronz, recording secretary.

# Dr. Dengler Urges Unity

"Let us all help in tearing down the barriers that stand in the way of world understanding," this was the plea of Dr. Paul L. Dengler, guest lecturer, who talked on "Interpreting the European Mind," yesterday in the Morris Dailey auditorium.

Dr. Dengler, speaking entirely without notes, predicted that "in ten years from now we will be able to circle the world in two hours." Bringing his idea closer to home he pointed out "George Washington, who loved to travel, took fourteen days to travel from New York to Boston." He then stated that "your president could make the same trip now 3 times in a single day.

The educator believed that the

"barriers" standing in our way are racial discrimination, extreme nationalism and provincialism. He stated definitely that "racial discrimination is a terrible thing" to put up with. He pointed out that too many people in this world believe that "their way and only their way is the best."

Trying to show the foolishness of thinking that one group of persons are superior to another, he told of an amusing but at the same time thought provoking story. Last year, while riding in a New York subway he noticed a baby sleeping on the lap of a colored mother. The baby had a small cap with a snowball top. He looked to the other side and he noticed a white baby

dressed exactly alike sleeping on his mother's lap.

After a little while a man and his wife boarded the subway. The lady noticed the two little babies and blurted out to her husband, "see isn't this like I always told you. There is a difference between the two babies, why just looking at their color is enough to tell." The patient husband not wishing to quarrel with his wife agreed.

Suddenly the subway jolted to a stop. The two babies were so startled that they both cried to the top of their lusty young lungs. The husband, smiling, turned to his wife and said, "Yes, they may be different but they speak the same language.

# Bronzan Terms '54 Grid Record Credit to SJS

## Mentor Rates Hiram Finest All-Around Back in Country

Looking back on the 1954 grid season, Coach Bob Bronzan declared the 7-3 record chalked up by the Spartan footballers is a credit to the team.

"After early season losses the players could have sat back and folded their arms but instead they went on to establish a respectable record that is a credit to the college," the SJS grid mentor said.

Coach Bronzan rated 155-pound Roy Hiram as one of the best all-around backs in the country, even though he performed each game with both knees heavily reinforced with tape. Hiram was the leading Spartan scorer and ground gainer with 394 yards for a 6.4 average and nine TD's and 54 points.

"Charlie Hardy and Mervin Lopes are the best ends pound for pound in the country," Coach Bronzan observed. The Spartan

duo, dubbed SJS' "Midget Ends," stand 5 ft. 11 in. and 165 pounds for Lopes and 6 ft. and 178 pounds for Hardy. They rate as two of the finest downfield blockers around, he added.

Guard Tom Louderback, one of four guards on the West's Shrine team, is aggressive and has a great devotion to the game Coach Bronzan commented. Louderback has been previously termed "an ideal player" by the Spartan coach.

Fullback Dave Fanner was singled out as an example of desire over ability by Coach Bronzan. Although Fanner has better than average grid ability, it was his burning desire to play the game that led to his greatness, Coach Bronzan believed.

### LA Rams Ask Bell To Bar Baltimore End from League

LAS VEGAS, Dec. 8 (UP)—Baltimore Colt End Don Joyce, accused of slugging Los Angeles Ram Guard Les Richter with a helmet during a game, will not be barred from professional football as demanded by the Rams, it was reported today.

Colt General Manager Don Kellet said National Football League Commissioner Bert Bell assured him by telephone yesterday that Joyce, who denied he slugged Richter with a helmet, would not be barred. Joyce said he struck the Ram player with his fist.

The Baltimore executive said Bell told him that if there was any disciplinary action against Joyce for the incident it would depend upon a careful review of films of the game played between the two teams last Saturday.

Rams' spokesmen demanded Bell bar Joyce from the game permanently.

Kellet is resting here while the Colts are preparing at Sonoma, Calif., for their game with San Francisco this weekend.

### KA Battles DU For Championship

Kappa Alpha, American League champion, will meet Delta Upsilon, National League winner, for the Intra-fraternity football crown at 4 p.m. today on the Spartan soccer field. Both teams are undefeated in their respective leagues.

Theta Chi, second place American League finisher, clashes with Alpha Tau Omega, national group runner-up, for third place at 4 p.m. on the Willow Glen playground field.

Theta Chi earned its way to the play-offs by defeating Sigma Pi, 13-7, yesterday. Theta Chi broke up a 7-7 deadlock with one minute remaining when tailback Jim Maher threw a 30-yard TD aerial to Bob Cruzen.

### Hoopmen Face Cal Poly Quint Here Friday

The San Jose State varsity cagers will meet barnstorming Cal Poly of San Dimas tomorrow night in Spartan Gym at 8 p. m. in a non-conference tilt.

The Golden Raiders will enter the fray against the Southern Cal aggregation sporting a 2-1 record, holding victories over Fresno State and San Francisco State. The lone setback was against Stanford.

Cal Poly, on a Northern California basketball tour, will be going against the Spartan basketball forces for the first time.

The frosh hoopsters performed for the third time this season when they face Lincoln High School Saturday afternoon at 2:30 o'clock in Spartan Gym. The yearlings have a 1-1 record.

Nine skiers will vie for positions on the San Jose State varsity ski team at Dodge Ridge this weekend. Seven of the nine are returning racers. Ken Kaneda and Doug Fox earned letters last season.

Returning skiers are Don Thibibo, team captain and manager, Ted Englebrecht, Jay Fox and Jon Lowe. The rest of the team consists of Pete Pedas, inexperienced in collegiate skiing, but a native of Austria; and Bill Grooves, who hasn't raced before.

The Spartan slopesters will co-sponsor the Northern California Intercollegiate Invitational ski meet at Sugar Bowl Jan. 9. Modesto Junior College is the other sponsor. Schools attending will probably be Nevada U., Stanford, Cal, COP, Placer JC and UCLA.

### A CAMPUS-TO-CAREER CASE HISTORY

*"All the answers aren't in the book"*

W. D. Garland, E.E. '52, Univ. of California, is working for the Pacific Telephone Company. We thought you'd be interested in what Don told us about his first assignment.

(Reading time: 45 seconds)

Here Don Garland makes noise distribution measurements with a Level Distribution Recorder

"My job is to help solve problems of noise and other interference on telephone lines due to power interference. Inductive co-ordination is the technical term for the work.

"First thing the Chief Engineer explained to me was that 'all the answers aren't in the book.' He was right. Most of the problems have required a combination of electrical engineering, a knowledge of costs and generous amount of ingenuity. I like it that way. It's given me an immediate opportunity to put into practice the theory I learned at school.

"In addition to this on-the-job experience, I have attended several special training courses conducted by the company. Now I'm breaking in a new man, just like when I started."

Don Garland's work is typical of many engineering assignments in the Bell Telephone Companies. There are similar opportunities for college graduates with Bell Telephone Laboratories, Western Electric and Sandia Corporation. If you'd like to get more details, see your Placement Officer. He will be glad to help you.

"Bethlehem Evening Star" descends on SJS campus tomorrow. A limited number of copies of this six-page paper and an illustrated booklet, "College Life" will be available at the IA Print Shop. The publications represent fruition of the efforts of the IA 181 Printing class of Dan Lopez, assistant professor of industrial arts.

## ROTC Opens Rolls to Frosh For Winter

Freshmen male students barred from the college ROTC program because of unit limitations last quarter will be able to enroll in the military program winter quarter, Col. John E. Rogers, ROTC head, announced yesterday.

A 15-unit limit imposed upon students by SJS last fall kept many students from enrolling in the military program, Rogers said. However, he added, students enrolling will be allowed to carry 17 units next quarter.

The new program is made possible by an agreement with college authorities and Sixth Army headquarters which enables freshmen to take Military Science 1B winter quarter and Military Science 1A and 1C next spring quarter. ROTC enrollees usually take Military Science 1A, 1B and 1C in successive quarters. The new schedule will give freshmen a full year's credit for the ROTC program.

Col. Rogers said drill periods will be changed to help lower division students take part in the ROTC program. Beginning winter quarter, drill period will be Tuesdays, 11:30 a.m. to 12:20 p.m. If necessary, an extra drill period will be held from 1:30 to 2:20 p.m.

Further information may be obtained at ROTC headquarters, B-65.

The class, composed of journalism, advertising, commercial art and library science students, studies type setting (hand), design, machine composition, press work, lithography, silk screen, and bindery. It does not turn out printers as such, but is geared to enable students to deal intelligently with members of the graphic arts profession.

The "Star" is entirely handset and contains art and advertising copy, using three colors.

"College Life" illustrated by commercial art students, is a satire on college majors.

## Play Seats Gone

Standing room only is available for the remaining performances of "You Can't Take It With You," according to the Speech and Drama office. The play concludes its run tonight, Friday and Saturday nights in the old Little Theater.

## SJS German Club To Present Christmas Music Event Tonight

The German Club, culminating an active season, is giving a Christmas Concert at 7:30 p.m. tonight in the Concert Hall, followed by a Christmas party in Room M-125.

## Cottrell Asks Space Money

With some \$2500 still remaining to be paid by campus organizations for space contracts in the 1955 La Torre, Jim Cottrell, business manager, urges all organizations to make full payment by the end of this week.

"Money has been coming in, but it has been very slow," Cottrell said. "In order that La Torre may take advantage of discounts, it is urgent that we have all money for the contracts in by Friday."

Payment on contracts may be made in the Graduate Manager's office, Room 16.

## Duo-Pianists Play In Concert Today

Duo-pianists Patrick and Doris Meierotto will present a concert in the Survey of Music Literature class today at 11:30 o'clock in the Concert Hall. The concert is open to anyone interested in music.

The program will consist of Farnaby's "For Two Virginals"; Couperin's "Allemande"; Bach's Fugue "Art of Fugue" and sonata in G major; and Mozart's sonata in D.

## Christmas Party

Alpha Chi Epsilon, education society, will hold a Christmas party tonight at 7:30 o'clock in Room 24, according to Ann Socolofsky, publicity chairman.

Included in the festivities will be games, contests and refreshments. Gifts will be exchanged by the members, Miss Socolofsky said.

## Extension Service To Offer Finance, Banking Course

In cooperation with the San Jose Life Underwriters, SJS will offer two quarters of advanced instruction in banking and finance, Dr. Frank G. Willey, coordinator of extension services, announced.

The class is scheduled to begin Jan. 6 and will be taught by Willard J. Saunders, assistant professor of business. Classes will meet on Thursdays from 1:30 to 4:30 p.m. in Room A of the Civic Auditorium. Completion of these and other advanced courses may lead to the chartered life underwriter designation.

The students who have completed their basic insurance training program and intermediate study courses are eligible to enroll.

## Slicker Weather

SAN FRANCISCO, Dec. 8 (UP)—A new storm bore down on California today but the weatherman predicted it would bring only light to moderate rainfall over the northern and central parts of the state.

The rain will spread to the vicinity of Salinas and Stockton tomorrow, he said. Clearing weather will follow on Friday for most sections.

Compositions by Beethoven, Schubert and Reger will be presented by SJS students, Music Department faculty, and the Male Chorus and Ladies Chorus of the San Jose Germania Society.

Santa Claus will appear at the party with gifts for all. Refreshments and singing will be featured in a German holiday setting.

The club invites all students and faculty to join in helping further its purpose in spreading understanding of German culture.

## Fosdick To Speak At CSTA Meeting

"What You Should Know About Ethics" will be Harry Fosdick's topic at the California Student Teachers Assn. meeting this afternoon at 3:30 o'clock in Room 24, according to Nancy Cowan, publicity chairman.

Fosdick, who is the executive secretary of the Ethics Commission of the association, will present examples of ethics as they are encountered in the problems of teaching school.

## P.E., Rec Society Initiates Members

The Tau Gamma honor society for physical education and recreation majors initiated five members at its last meeting. Those students initiated were Colleen Anderson, Donna Douglas, Lois Cresgy, Naomi Parker and Elaine Pappas.

A 1.8 grade point average for three consecutive quarters is required for admission to Tau Gamma.

## Garments Here

## SJS Will Begin I-Beam Work

Contracts for work on I-beams to be installed in the new Little Theater of the Speech and Drama building will be let for bids Dec. 14, George J. Dieterle, senior construction supervisor, said yesterday.

Bids for the work were let in October, but the low bid was rejected by the Department of Architecture in Sacramento.

The I-beams must be placed before the department can use the new Little Theater for its first scheduled production, "Hamlet."

The play may not be produced until next fall because of the delay in I-beam installation, Dr. Hugh W. Gillis, Speech and Drama Department head, said recently.

## Sixteen Enter History Group At Ceremonies

Sixteen new members recently were initiated into Phi Alpha Theta, honorary history society, at initiation ceremonies in the home of Dr. George Bruntz, adviser.

During the meeting Patricia Simon was selected to represent the local chapter at the national convention in Los Angeles during the Christmas vacation.

A discussion was held to decide whether the organization should join the newly formed academic council. The opposing faction moved that an impartial committee be organized to investigate the advantages and disadvantages of joining the council.

New members initiated include: Barbara Jean Anderson, William Burke, Marlene Carder, Joan Busher, Ray Clark, Audrey Joseph, William Krueger, Richard Lester, Mary Lopez, Elaine Maier, Maurice Mitchell, Patrick O'Toole, Earl Jay Perez, Victor Perkes, Carl Pagter and Marvin Williams.

## Faculty Entertains Students Today

A coffee social will be held by the Speech and Drama faculty for students in the department today from 4 to 6 p.m. in the new Studio Theater, according to Mrs. Norleen Mitchell, social chairman.

Featured during the social will be entertainment by faculty members and students. Dr. Dorothy Kaucher, currently on sabbatical leave, will give a talk, J. Wendell Johnson will sing, and department majors Darwin Hageman and Ron Stokes will perform a duet. Alden Smith will read "String of Beads" by Fulton Oursler.

Dr. Margaret Letzter, professor emerita, will preside at the refreshment table.
